

Phillip Island Land Alliance

A connected community who respects and protects the unique and biodiverse environment of Phillip Island.

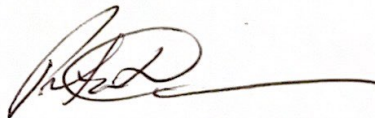

The Phillip Island Land Alliance (PILA) represents a gathering of groups who collectively advocate to protect and restore the biodiversity values of Phillip Island and this region. We acknowledge the First Peoples as Traditional Custodians of this land and recognise their continued care of this unique environment.

We communicate with a unified voice and common objectives, to provide opportunities for networking, and a platform for a coordinated approach to funding applications and island wide environmental care.

We come together to educate, connect and engage our community with the natural environment for the health and wellbeing of all, now and into the future.

On this day the 12th of May 2022, the following community groups joined, as the inaugural Phillip Island Land Alliance members.

Phillip Island Conservation Society

Cape Woolamai Coast Action

Ventnor Coast Care Association

Rhyll Coast Action

Silverleaves Conservation Association

Friends of Scenic Estate

Cowes Coastcare Group

Phillip Island Landcare Group

Redrocks Saltwater Creek Coastcare

Newhaven Coast Action Group

Surf Beach Sunderland Bay Coastcare Group
